

## Magic that they create

### Stage performance

Elegant conjuring to the classical serenades of Mozart. Comical characters to the choreography of an upbeat tango. Humorous capers with audience volunteers. Elio and Eva create an experience on stage that is uniquely creative, impeccably routined and irresistibly entertaining.

### Intimate wonders

Sophisticated conjuring brought up close and involving the spectators, where the inexplicable happens in their own hands. Performed silently or as a lively and heavily accented Italian gypsy. Delightfully charming, somewhat temperamental and completely engaging!

## What others say

Elio Simonetti - this guy was *born* to perform!

- *The Age Newspaper*

A master of mime, he captivated his audience with magic and had them rolling with laughter at his antics.

- *Keilor Advocate Newspaper*

I found their magic astonishing, their choreography seamless, and their rapport with the audience exceptional. They are an act of truly international calibre, and I recommend them highly.

- *Festival Cruises Senior Cruise Director*

This skilled showman somehow manages, within the prestidigitator's conventional parameters, to be both fresh and amusing. Anyone who engages the imagination of an audience to his extent deserves my vote.

- *The Age Newspaper*

What a lovely couple and such scholars of the theatre. When Elio produced the dove, which flew arching over the balcony, it brought the house down. How the devil do we top that? The best!
